- 11th: Valentine Grams due
- *14th: Progress Reports go home
- 14th: Class Valentine's Party
- 17th: Bowling Field Trip
- 18th: All Saint Jude's Money is due
- 21-25: Winter Break: No school
- 26th: Brainamania Team Trivia 5:30

Greetings WCCA Family

Hello WCCA family. I am sorry this newsletter is late getting out. I have had a sick household which has thrown me off. There are viruses going around so please make sure you are adhering to the sick and well policy in your student handbook. We are stepping up in our cleaning and disinfecting and hopefully, this part of the season will be over soon. Stanford 10 testing will be here before you know it. We will start sending home extra work to do at home so that your

children will feel comfortable during the test. This is only for our 1st and 3rd grade students. Please use the time to study over winter break. Have a blessed month.

The aim of education should be to teach us rather how to think, than what to think - rather to improve our minds, so as to enable us to think for ourselves, than to load the memory with thoughts of other men.
~Bill Beattie

Brainamania 2011

Tell all your friends and post on facebook.

100th day of school

Kindergarten on 100 day

**Out of the mouth of babes
and infants, you have
established strength
because of your foes, to
still the enemy and the
avenger.
Psalms 8:2**

Valentine's Party

We are not having a formal Valentine party. Most classes will only be exchanging Valentine's. Your classroom teacher will notify you if they will be doing anything more than exchanging cards. We ask that each child bring a card for every child in the classroom. This will take place on Monday at the end of the day. If you have any questions, please contact your child's teacher.

Bowling Field Trip

As a culmination to our PE unit, we will be going to Austell Bowling Lanes on Thursday, February 17th at 10:00. We will bowl 1-2 games and then come back to school for lunch. Please wear your school field trip shirt and jeans or khakis. All students need to wear socks.

St. Jude's Donations

All of your donations/checks/cash need to be turned into your classroom teacher by Friday, February 18th. If you have received online donations, you do not have to do anything with those. By now, everyone should have received a math-a-thon book. Everyone received one whether you were participating or not. When you have completed the booklet, bring it to school for a free pizza buffet coupon at Stevie B's. There is no time limit on completion of the math book. Our school goal is \$500 so I am hopeful we have reached that goal and surpassed it. Your child only needs to raise \$35.00 to receive a t-shirt. This project serves as our community service project for the next 2 months. I hope everyone gets involved in this extraordinary program. All checks need to be made payable to St. Jude's Children's Research Hospital

Valentine Grams

Please turn in all forms and money by Friday so that they can be delivered on Monday. Forms are attached to the email with this newsletter.

International Day

Our international celebration is coming on March 17th. Each child will have a project for this day. We would like you to research your family history and create a poster with your family tree. Please go back at least 3 generations. Be creative about how you create your poster. These posters will be due on March Wed., March 16th. We are also asking that you find a food to prepare from your culture and send it to school with your child on Thurs., March 17th. We will have a tasting of all foods and an opportunity for everyone to view your posters along with all the other goodies we have planned. We also ask that you dress in a costume native to your culture and heritage. We will send reminders out along the way. We look forward to this fun day of learning about other places and regions.

No Cost Fundraisers

Are you aware that there are many ways you can help our school raise money and equipment without it costing you anything? Look below for ideas.

- ** Boxtops for Education
 - ** Campbell Soup Labels
 - ** Points from Coke rewards program
 - ** Inkjet cartridges
 - ** Used cell phones
 - ** Use www.goodsearch.com as your search engine.
- Pick our name from the list of charities and we receive about 1 ½ cents every time you click.
- ** Aluminum cans or any other metal products

3rd and 4th grade enjoying 100 day

An educational system isn't worth a great deal if it teaches young people how to make a living but doesn't teach them how to make a life. ~Author Unknown

“See that you do not despise one of these little ones. For I tell you that in heaven their angels always see the face of my Father who is in heaven.

Matthew 18:10

Like newborn infants, long for the pure spiritual milk, that by it you may grow up to salvation– if indeed you have tasted that the Lord is good.
1 Peter 2:2-3

Review of the Well and Sick Policy

In order for students to be at school, they need to be free from fever, vomiting and any other contagious symptoms for 24 hours without medication. Please make sure you adhering to the policy so that we can all get well.

Devotional Thought

If you are a parent, read this. Better yet, keep it where you can read it regularly.

- 1) My hands are small, don't expect perfection whenever I make a bed, draw a picture, or throw a ball. My legs are short, slow down so that I can keep up with you.
 - 2) My eyes have not seen the world as yours have; let me explore it safely; don't restrict me unnecessarily.
 - 3) Make time for me, housework will always be there; I am only little once.
 - 4) I have feelings too; don't nag me about my inquisitiveness. Treat me as you would like to be treated.
 - 5) I am a gift, treasure me as God intended. Hold me accountable, give me guidelines to live by, discipline me with love.
 - 6) I need encouragement to grow, not empty praise. Go easy, you can correct the things I do without putting me down.
 - 7) Give me the freedom to make decisions, even if they are not always right. Permit me to fall, so I can learn to walk.
 - 8) Don't do things repeatedly for me; that makes me feel like my efforts do not measure up to your expectations. Please do not compare me with others; I am me, not them.
 - 9) Don't be afraid to leave me with grandparents so that you can have a weekend together. Kids need some times away from parents, just as parents need some time away from children. Besides it shows us that your marriage is something very special.
 - 10) **Take me to God's house and introduce me to Him, because I will need Him for the rest of my life.**
- Behold, children are a heritage from the Lord, the fruit of the womb is a reward.
PSALM 127:3
- Train up a child in the way he should go; even when he is old he will not depart from it
.Proverbs 22:6
- Folly is bound up in the heart of a child, but the rod of discipline drives it far from him.
Proverbs 22:15
- You shall teach them diligently to your children, and shall talk of them when you sit in your house, and when you walk by the way, and when you lie down, and when you rise.
Deuteronomy 6:7

You are always welcome to come join us for worship at Macland Road.

Sunday: Bible Study 9:30am Worship 10:30 and 6:00
